THANK YOU TO ALL

Throughout each year there are a lot of things at the Archery Club that need to be worked on. Almost all of this is by volunteering of both time and in some cases expenses. I cannot thank everyone by name for fear that I would miss someone. I just want to let all of you know that it is much appreciated. Without the volunteering this organization would not last long. Any time you see a request for help and if you have an hour or whatever amount to help out, it is and always will be very much appreciated. Even the little things help in the big picture.
John Steinle, President

THE NEW BACKSTOPS

The new target butts are in. We would like to ask you to please move your target up or down at the half way point of your score. Also please try not to use the same position on the target butts each. By moving around a little bit it will help extend the life of the butts.

WINTER Junior Olympic Archery Development

Sessions are Thursday evenings starting at 6:30 pm. This is for youth ages 8 to 17. If you have a child interested younger than 8 please give John Steinle a call for options. Schedules have been mailed out to past participants.

YOUTH LEAGUE

There have been a lot of questions about the Youth League. At this point we don't have any answers. The first thing we need is to know how many are interested in shoot on a youth league. If you are interested, please give Kathy Henderschiedt a call at 376-6415. I realize this is short notice, but if you could call her as soon as

possible, before Dec. 6th it would sure help out.

LEAGUE WARM-UP

League warm-up will be starting the week of November 24th. League scoring will officially start the week of Dec. 1st. If you haven't signed up to shoot on league and would like to, call Kathy Henderschiedt at 376-6415. If you don't have a team we can find one for you.

COUPLES LEAGUE

We are looking into the possibility of having a couples' league. If you and your significant other, (a male and a female) would be interest in participating in this, please sign up on the bulletin board.

ARCHERY INSTRUCTOR'S CLASS LEVEL 2

We will be holding the class December 5, 6, and 7 at the club. Anyone interested in taking the class please contact John Steinle at 507-370-0597 for more information or to sign up.

TO ALL PARENTS-UNATTENDED YOUTH

The Archery Club does not have the ability to provide youth care. If you cannot stay to watch your youth or make arrangements for someone over the age of 18 to watch them, please do not bring them out. We cannot accept liability for this. If you drop them off, and leave, you will be called to come back out to watch them or take them with you. THIS IS A BIG LIABILITY ISSUE. The exception would be if they are involved in the JOAD program on Thursday evenings. If you have any questions on this give me a call at 370-0597 or visit with the board at the next meeting Dec. 2nd.

MEETINGS

Our meetings are the 1st Tuesday of each month at 7:00 pm. If you have anything you would like the club to do, or an issue you would like to discuss, please come to the meetings. They are open to all members.
