SUB-SANDWICHES

I need the quantities reported to me by March 1st. You can call me at 507-370-0597 with the number of dozens of regular meat and turkey meat subs that you have sold. There will also be a form out at the Archery Club that you can write down your name and quantities on. Please keep your sales sheets so that you have them to use in your delivery of the subs. Please have any checks made out to you and then you can write one check out to the Archery Club for the total amount that is due and bring it on March 20th when you pick up your subs. If you sell any sandwiches; please set aside the date of Saturday March 20th to help make them. If you are unable to be there to help you must make arrangements to have someone pay for and pick them up by noon of that day. We don't have the facilities to store them longer than that. We will start making them at 7:00 am and should be all done by 11:30 am. The more help the merrier. If you don't sell any sandwiches, but have some time available to help make them, it would be appreciated. If you have any questions, call John Steinle at the above phone number.

SNOW ON THE ROOF

Please use caution when parking at the archery club. There is a large amount of snow has not slide off yet.

AWARDS BANQUET AND ANNUAL MEETING APRIL 24TH

Mark your calendars with this date. More details will be in next month's newsletter and tickets will be going on sale about the middle of the month. We hope to see everyone there.

INSTRUCTORS ARE NEEDED

We are in need of more help on Thursday evenings for JOAD. If you have some free time and are interested in taking the instructors' course, please give John a call 507-370-0597.

MEMBERSHIP FORMS & WAIVER FORMS

If you would like to renew your membership please call one of the Board Members listed above and membership and waiver forms can be mailed to you.

WINTER LEAGUE and MAKEUP SCORES

One week is allowed for makeup scores. The score cards will be pulled after the makeup period has ended. Score cards will be pulled after 4pm on Saturdays.

CLUB CLEAN-UP SCHEDULES

The clean-up schedules are in the league score box and also posted on the bulletin board. Please check to see what weekend your team is scheduled to open and clean the club. If you are unable to cover your Sunday or are not sure what you need to do, call one of the board members listed above and they will be able to help you. Picking up after yourself anytime you are out to the club will also help to keep the club looking nice and make the Sunday clean-up go faster.

CLUB EQUIPMENT

I hate to say it, but we are dangerously close to locking up the clubs bows and arrows. This is because some members are using them and mishandling them and not putting them back where they belong. This equipment is used for our classes and the instructors don't have a lot of extra time to be looking for or repairing it. If someone does have some extra time and would like to repair some arrows, please let me know. They need it.

MEMBERSHIP MEETINGS

Our meetings are the 1st Tuesday of each month at 7:00 pm. If you have anything you would like the club to do, or an issue you would like to discuss, please come to the meetings. They are open to all members.
