AUGUST 2006

NOTICE:

If you would like to receive the newsletter by email and have an email address, send your e-mail address to drkost@hickorytech.net.

PRESIDENTIAL CHALLENGE:

Remember the President's Challenge? All members are challenged to recruit one new shooter for the coming year. They don't have to be a professional archer to come out and have fun!

WEB PAGE

If anyone would like to post an item, picture, hunting story, etc. on our Club's Website (archery related, of course), contact Sara Henderschiedt at archeryshooter6@aim.com or call her at 376-6415 after 5:00 PM or before 9:00 PM.

REMINDER:

Our club will be hosting the State MAA 18 Meter again next year. The dates are Jan. 27th and 28th.

SWBB SCHOLARSHIP:

Southwest Bow Benders gives out a yearly scholarship to one person. Those eligible are graduating high school seniors and certain college students. Applications for the 2007 scholarship will be available in August and will be due in January. Selection will occur next spring.

FALL LEAGUE TEAM SIGN UP!!!!!!

October 3rd will be the team member sign up for Fall League. Try to get your teams put together before then and have at least one team member present at the meeting. If you can't have someone at the meeting, please

notify Kathy Henderschiedt (376-6415 evenings) or leave her a message. It will make things much better and more efficient if we can get team rosters turned in and all league fees paid the night of sign-up! There will be a potluck that evening before the meeting, so bring your completed team roster, all your fees, and some food that night--October 3rd.

JOAD:

Our JOAD chapter will be having a float in the King Turkey Day Parade again this year. Float building will be Sept. 9th beginning at 8:00 am. Anyone interested in helping build the float, show up at that time, or contact Andrew Echernach (507-853-4747) or Sara Henderschiedt (507-376-6415).

RECURVE AND VEGAS LEAGUES:

This year we will be holding both a Recurve League and Vegas League in addition to our regular leagues. This should increase opportunities to participate and should add to the fun. More info will be coming in next month's newsletter.

SENIOR ACHIEVEMENT PROGRAM:

This is a program through the NAA that is for archers over the age of 18 who cannot participate in the JOAD program. If you are over 18 and would like to participate contact Roland Roelfs, Steve Henderschiedt, Dennis Clausen or John Steinle. Plans are to hold this concurrently with JOAD or after 8 pm when JOAD is finished.

(See reverse for more news.)

Next Meeting: September 5, 7:00 pm.

PAINTING CLUBHOUSE TRIM:

Painting of the clubhouse trim is postponed until next spring. A date will be selected in the spring and help will be organized at that time. Make plans to help—many hands make light work!!!!

2006-2007 MEMBERSHIP FEES:

After much discussion, it was decided by the members present at the August meeting to leave the Club membership fees and shooting fees at last year's levels. It was decided that the Club will not pay for other Local, State, or National memberships other than those for Club officers

and board members that want them. If you are interested in joining other organizations (NFAA, MSAA, MAA, NAA, etc) they will be listed on the 2007 membership application. You can indicate which organization(s) you want to add and the cost will be added to your dues and Sonda will see they are sent in. OR you can pick up applications at the club and mail them in yourself.
